Next Meeting Mar. 6, 2008

7:00 PM at the Firehouse

Minutes of the February Meeting

15 members in attendance

1. Grill has been purchased at \$ 400. There is to be 100 raffle tickets at \$ 20 each to be made. Claude Keim to get them made. Drawing to be May 1 (or when all tickets are sold).
2. Field rent has been raised by \$ 25 per month. It is now at \$ 125 per month (\$ 1500 a year).
3. Lawn tractor work has not been done yet but will get done. The carburetor and steering need work.
4. The May meeting to be at the flying field. March and April meetings at the firehouse.
5. At the May 31 "Meet and Greet" event there is to be a swap meet also. Bring your unused stuff to ~~trade or buy~~ someone else's stuff.
6. April 12 to be a "Spring Fly" event at 11 AM.
7. CD Mark Klingler has forms for the Fly-In but has to fill them in yet. He said he didn't need any help as there is not to be any competition.
8. Don Crim said that all three of his helicopters have had "glitch" problems. He purchased a "Fasst" module for his transmitter and three receivers. Now he has had no "glitches".
9. Tim Anderson brought a box of various things from Bob Estes hobby store. Members to get what they want, then donate a reasonable amount to the club. \$ 31 was donated.
10. Mark Klingler brought his plane with Spektrum receivers installed to show.

Dues may be sent to Warren Behymer at
2680 N. Rt. 68, Wilmington, Ohio 45177

or sent to Patty Lohr at
2836 N. St. Rt. 72, Sabina, Ohio 45169

Editor's Corner

How many of us have forgotten frequency pin courtesy?

1. Always get the proper pin before turning on your transmitter.
2. Put the pin back when your flight is done. Someone else may want it. I have had to search for it on many occasions.
3. At one time there were extra clothes pins that could be used to attach your AMA card where you removed a freq. pin before.

Welcome to
